WHAT MAKES PREVINEX BARS DIFFERENT?

Clean, all-natural ingredients, which means our bars are free of preservatives, artificial ingredients and additives, chemical sweeteners, sugar alcohols, genetically modified organisms, and more.

Low glycemic promotes fullness, satiety, and a more sustainable source of energy versus higher sugar bars.

Our nutrition bars are carefully formulated and designed to *satisfy your hunger* without sacrificing your health. These delicious, low glycemic bars are *high in protein* and *fiber* and provide the right amounts of *healthy carbohydrates, protein, and fats*.

More importantly, they don't have any of the potentially harmful additives found in the vast majority of nutrition bars on the market.

Like all Previnex products, our bars contain the *highest quality, cleanest, and healthiest ingredients* available on the market to ensure you get a healthy, nutritious, flat out good for you snack that keeps you healthy, and helps maintain energy and fullness throughout the day!
